

UNIQUE CHLORHEXIDINE

MEDICHEM, ONE OF THE LARGEST
EUROPEAN GLOBAL SUPPLIERS

Chlorhexidine salts are effective against a broad variety of bacteria, enveloped viruses and fungi. Due to its broad-spectrum efficacy, safety-profile in particular on the skin, with low irritation, **chlorhexidine is an extremely versatile and effective product** and is widely used as active pharmaceutical ingredient, disinfectant, antiseptic or preservative in very different fields:

PHARMA

ORAL CARE

VETERINARY

COSMETIC

INDUSTRIAL

Our chlorhexidine is manufactured in Spain and China using the highest quality standard. This together with an extensive know-how acquired during more than 30 years have resulted in a high quality chlorhexidine with very low contents of impurities.

OUR API PORTFOLIO

	REGULATORY STATUS								
	US DMF	CEP	CANADIAN DMF	EDMF	TAIWANESE DMF	BPR (Biocidal Product Reg.)	REACH	COSMETIC REG.	HALAL
CHLORHEXIDINE BASE	●						●
